If you quit a job before finding new employment you will stay or go down to phase one with possible added house arrest depending on the circumstance. (Exceptions to this can be made If appropriate)

Rent: If your rent payment is late, you go down to phase one. If you are on phase one already, house arrest will be added. (RHAP guests subject to removal after 12 weeks)

Law abiding: We are a law abiding program. If you are not abiding by the law, you risk being removed from the house, and your probation officer and/or police will be notified. If you are not doing your breathalyzers or keeping up with the drug patch and/or other programming that's court ordered, you will stay on phase one or phase down for a length of time determined by the board. If you do not have your driver's license but own your own vehicle you cannot be driving. Your probation officer will be notified, and you will risk being removed from the house.

I understand the BBM's phase rules and consequences.
